The Famous Schools Challenge Game Day 2011.
Tuesday 20th & Wednesday 21st December

The famous Schools Challenge Game Day is back. In 5 years it has become one of the most successful events in the Schools Challenge calendar; it has also become one of the best young shots events in the U.K. It's a 2 day package - the first day is at our shooting grounds with our professional shooting instructors, who will teach you the etiquette of game shooting as well as how a day's game shooting works. This day will start at 9:30am and finish at approximately 4:30pm with a talk about game shooting and gun dog handling.

The second day is at Kirtlington Park in Oxfordshire. This is a charming shoot set in undulating countryside with beautiful scenery and woodland which, we feel, is a perfect example of a professional game shoot run by one of the country's leading game keepers. You will have the opportunity to shoot 3 drives, beat 3 drives and pick up 3 drives giving you the chance to see exactly how the shoot works. We will shoot 3 drives, break for elevenses followed by 3 more drives, break for lunch, which will be on the shoot followed by 3 more drives, finishing at approximately 5:00pm. It's our aim to make sure that everyone shoots some birds and you will take home a brace to eat or show your friends.

This package is a special price of only £275 all inclusive. This is open to boys and girls aged under 21 that have a basic shooting ability. This includes shooting, lunch on both days, cartridges for the first day. It does not include game cartridges or the tip for the keeper. Places are limited - to book your place ring David on 01844 238308 or to see more young shots information visit the web site <http://www.theschoolschallenge.co.uk>
