The Browning Rabbit Mania won by a 12 year old boy.

Something a little different?! We have run this event since The Schools Challenge has started and each year it gets better & better! This year we were very lucky to be sponsored by Browning, who put up the 1st prize of a Browning 525 shotgun worth £1500 as high gun and 6000 Winchester shot shell cartridges for 2nd, 3rd & 4th. Due to this fantastic sponsorship it made it a very popular event, people were queuing to use it all day. The result of this was 4 people tying for 1st prize and after an exciting shoot off **Daniel Tarrant aged 12 shot like a champion and won the shoot off, he is the youngest person to win a shotgun of this value as a prize.** He was presented the Browning 525 at the prize giving and we expect to see him putting it to good use at Bredon! We would like to thank David Stapley & Andy Norris from Browning for their support & generosity!

This year the Browning Rabbit Mania will be linked with The Schools Challenge at Bredon School, as the rabbit mania will be the same and so will the prizes!

The Results after a shoot off:

1st Daniel Tarrant of Seaford College who was awarded the ultimate prize of a Browning 525 shotgun. Daniel is 12 is the youngest person to win a shotgun at a competition- as you can imagine he was very happy & lost for words. Well Done Daniel- excellent shooting! See you at Bredon School!
